

CERTIFICATE

FOR GREENLEAVE APPROVED PRODUCTS

GreenLeave hereby declares that the following product has been independently assessed and complies with the sustainability criteria version 12

BU201/BU301/BU301S/BU205

Certificate holder details

Funeral Products B.V.

Telephone: 040-2485060

Industrieweg 10-12

Email: info@funeralproducts.nl

5627 BS EINDHOVEN

Website: www.funeralproducts.eu

Sustainability characteristics:

Made from organic, biodegradable materials. The main component is sea salt, with plant-based material acting as a binder for the products.

Any changes to the product, including the production process and/or the materials and raw materials used, must be reported to GreenLeave, so that GreenLeave can reassess whether the product still meets the criteria.

Evert de Niet
Chairman, GreenLeave Foundation

Issued on: 24-09-2025

Certificate number: 2025-015

Valid until: 24-09-2028

GreenLeave is a collaboration within the funeral sector with the mission to make sustainable funeral care accessible and available. We also want to ensure that during our final farewell we can contribute to leaving a sustainable world for future generations in a natural way.
